

## Curriculum Vitae

**Marcus A. Meyer, M.D., F.A.C.S.**

*West Seattle-Highline Eye Clinic  
2515 SW Trenton, Suite #201  
Seattle, WA 98106  
TEL (206)937-9600  
FAX (206)937-4088*

### **Personal Background**

Birth date: 6/12/1964

Birth place: Kalamazoo, MI

### **Educational Background**

Fellowship	1995-1996	Northwestern University Glaucoma: Department of Ophthalmology Chicago, IL
Residency	1992-1995	Loyola University Chicago Department of Ophthalmology Maywood, IL
Internship	1990-1991	St. Mary's Hospital Department of Internal Medicine San Francisco, CA
M.D.	1988-1990	St. Louis University School of Medicine St. Louis, MO
Attended	1984-1988	Freie Universität Berlin School of Medicine Berlin, Germany
Attended	1983-1984	Freie Universität Berlin Major: Physics Berlin, Germany
Matura	1980-1983	Hermann-Böse Gymnasium Major: Physics Bremen, Germany

### **Practice**

Ophthalmology	2001-present	West Seattle Eye Clinic, Seattle, WA
Ophthalmology	1996-2001	Hammond Clinic; Munster, IN
Emergency Room	1991-1992	Memorial Hospital; Michigan City, IN

### **Hospital Privileges**

Highline Medical Center	Burien, WA; Chairman Department of Ophthalmology
Swedish Medical Center	Seattle, WA

### **Certifications**

2006	American Academy of Ophthalmology (recertification)
1996	Fellow of the American Academy of Ophthalmology
1991	National Board of Medical Examiners (NBME)

### **Medical Licenses**

2000	Physician & Surgeon: State of Washington
1995	Physician & Surgeon: State of Illinois (formerly)
1991	Physician: State of Indiana (formerly)
1991	Physician & Surgeon: State of California (formerly)

### **Professional Associations**

American Academy of Ophthalmology  
Fellow of the American College of Surgeons  
American Society of Cataract and Refractive Surgery  
American Glaucoma Society  
King County Medical Society  
Washington Academy of Eye Physicians and Surgeons

### **Scientific Reviewer:**

Ophthalmology  
Journal of cataract and refractive surgery  
Ophthalmic Surgery and Lasers

### **Publications**

Krupin T, Wyse T, Meyer M, Ruderman JM, Talluto D, Hernandez R, Rosenberg LF.  
Intraocular pressure control following cataract extraction in eyes with functioning  
filtering blebs. Ophthalmol (in press).

Meyer MA, Bouchard CS. Delayed onset expulsive choroidal hemorrhage following

traumatic globe rupture. *Ophthalmic Surgery and Lasers* 29: 247-248, 1998.

Wyse T, Meyer M, Ruderman JM, Krupin T, Talluto D, Hernandez R, Rosenberg LF. Combined trabeculectomy and phacoemulsification: Two site vs. one site approach. *Am J Ophthalmol* 125: 334-339.

Meyer MA, Savitt ML, Kopitas E. The effect of phacoemulsification on aqueous outflow facility. *Ophthalmology* 104: 1221-1227, 1997.

Bouchard CS, Meyer MA, McDonnell JF. Bilateral peripheral ulcerative keratitis associated with pyoderma gangrenosum. *Cornea* 16, 480-482, 1997.

Meyer MA. Toxic shock syndrome complicating preseptal cellulitis. *Am J Ophthalmol* 123: 841-843, 1997.

Meyer MA, Hernandez RH, Krupin T. Intraocular lens choice in complicated cataract extraction with coexisting glaucoma (Survey of the American Glaucoma Society). *J Glaucoma* 6: 56-61, 1997.

Ruderman JM, Fundingsland BR, Meyer MA. Combined phacoemulsification and trabeculectomy with mitomycin-c. *J Cataract Refract Surg* 22: 1085-1090, 1996.

Meyer MA, Savitt ML. A comparison of timolol maleate and levobunolol: Length of use per 5ml bottle. *Ophthalmology* 101: 1658-1661, 1994.

Meyer MA, Naunheim K. Superior sulcus tumors. *Missouri Medicine*: 87: 824-829, 1990.

### **Current Research**

Long term follow up of clear cornea cataract extraction among glaucoma patients  
Long term follow up of separate site combined phaco/trabeculectomy

### **Presentations**

Meyer, MA. Phacotrabeculectomy. Washington Academy of Eye Physicians and Surgeons Scientific Meeting, Tacoma WA September 21, 2002.

Meyer, MA. An analysis of separate incision combined phacoemulsification and trabeculectomy (abstract). *Invest Ophthalmol Vis Sci* 41 (suppl): 577, 2000.

Meyer, MA. Midwest Glaucoma Symposium: Moderator "Combined Procedures" Chicago IL, September 16-17, 1999

Meyer MA. A prospective analysis of separate incision combined phacoemulsification and trabeculectomy. Fifteenth Annual Resident / Alumni Research Seminar

Northwestern University, Chicago IL June 1999.

Meyer MA. Bleb survival following cataract extraction. Eighth Annual Loyola Ophthalmology Alumni Day. Loyola University, Maywood IL; June, 1997.

Wyse T, Ruderman JR, Talluto D, Krupin T, Meyer M, Hernandez R. Combined trabeculectomy and phacoemulsification: Two site vs. one site approach (abstract). Invest Ophthalmol Vis Sci 38 (suppl): 264, 1997.

Meyer MA, Hernandez RH, Ruderman JR, et. al. Intraocular pressure control following cataract extraction in eyes with functioning filtering blebs. Twelfth Annual Resident Research Seminar. Northwestern University, Chicago IL, June 1996.

Meyer MA, Savitt ML. The long term effect of phacoemulsification on aqueous outflow facility (abstract). Invest Ophthalmol Vis Sci 37 (suppl): 48, 1996.

Ruderman JM, Meyer MA, Krupin T, et. al. Bleb survival following cataract extraction (abstract). Invest Ophthalmol Vis Sci 37 (suppl): 48, 1996.

Hernandez RH, Meyer MA, Krupin T, et. al. Choice of lens implant in complicated cataract extraction with coexisting glaucoma (abstract). Invest Ophthalmol Vis Sci 37 (suppl): 43, 1996.

Meyer MA, Savitt ML, Kopitas E. The effect of phacoemulsification on aqueous outflow facility. Sixth Annual McDonald Resident Alumni Day, Loyola University, Maywood IL; June 1995.

Meyer MA, Savitt ML, Kopitas E. The effect of phacoemulsification on aqueous outflow facility (abstract). Invest Ophthalmol Vis Sci 36 (suppl): 1592, 1995.

Zak RD, Meyer MA, Perlman J. The long term effect of intravitreal perfluorophenanthrene (Vitreon<sup>®</sup>) liquid in rabbits (abstract). Invest Ophthalmol Vis Sci 36 (suppl): 2850, 1995.

Meyer MA, Zak RD. The effect of perfluorophenanthrene liquid on the duration of intraocular perfluorocarbon gas. Fifth Annual McDonald Resident Alumni Day, Loyola University, Maywood IL; June 1994.

Meyer MA, Zak RD. The effect of perfluorophenanthrene (PFP, Vitreon<sup>®</sup>) liquid on the duration of intraocular perfluorocarbon gas (abstract). Invest Ophthalmol Vis Sci 35 (suppl): 1617, 1994.

Meyer MA. A comparison of timolol maleate and levobunolol: length of use per unit dose. Fourth Annual McDonald Resident Alumni Day, Loyola University, Maywood IL; 1993.
